

# ABOUT FISAT

The Federal Institute of Science And Technology (FISAT), established in 2002 by the Federal Bank Officers® Association Educational Society (FBOAES), is a leading private engineering college in South India. With the motto "Focus on Excellence," FISAT excels in academics, placements, and extracurriculars. Accredited by NAAC with an 'A' Grade, NBA for five B.Tech branches, and ISO 9001:2015 certified, FISAT is a trusted center of excellence in professional education.

## ABOUT DEPARTMENT

The Department of Civil Engineering at FISAT, established in 2002, initially began by offering foundational courses for other engineering branches. It officially launched its B.Tech program in Civil Engineering in 2011 with an intake of 60 seats, which was later increased to 120 in 2013 to meet growing demand. In 2014, the department introduced an M.Tech program in Structural Engineering and Construction Management with an intake of 24 seats. The department is backed by a dedicated team of highly qualified and experienced faculty, committed to delivering excellence in education and research.
